## PDN'S topknots

The New School of Wedding Photography Contest

WE ARE PLEASED TO PRESENT THE WINNERS OF THE SEVENTH ANNUAL TOP KNOTS: The New School of Wedding Photography competition. This year we received more entries than ever before, and with the increase in volume, we've also noted a new level of sophistication in the images that were submitted. The artwork is lovely this year and we hope you enjoy viewing the following pages as much as we do—it's been a joy to design and produce. On that note, we are happy to announce a new feature within the gallery: full page image reproductions for our first place winners! We are honored that so many creative and talented photographers have chosen to share their work with us through this competition. We hope that it serves as both a valuable promotion and a source of pride for the winning photographers, and as an inspiration to any photographer interested in fine photography. The first-place winners this year are: Lisa Lefkowitz, Bragi Josefsson, Dan Watson, Nicole Radja, Alison Mayfield, and Claudia Hung. They will each receive a Nikon DSLR camera, a PDN PhotoServe portfolio (\$860 value), and a 2010 PDN PhotoPlus Expo Gold Expo pass.

Thank you to all of the photographers who entered, to our judges, and to our generous sponsors.
